Goals

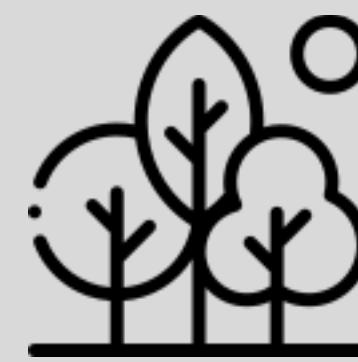

Journal

Today's Daily Goal:

Eat a local fruit or vegetable.

Find a plant, fruit, or vegetable that is in season and/or grown locally! Try to incorporate it into a meal or eat as is. Brownie points if you buy it from a local grower!

Weekly Goal:

Volunteer at a local nature reserve, community garden or sanctuary.

Give yourself the chance to do something fulfilling while helping out your local organizations preserve nature. Volunteer at an organization that speaks to you and spend an hour or two volunteering

Today's Daily Goal:

Eat a local fruit or vegetable.

Buying produce that is in season or grown locally can often be a more healthy and sustainable choice. Support local growers by buying their produce or enjoy a juicier and tastier bite by buying in season!

External Links/ Resources

Seasonal Food Guide 

Boggy Creek Farm 

1

Find a fruit or vegetable that is in season or grown locally by using a handy resource like the seasonal food guide or searching for your specific area

2

Find a nearby store, farmers market, or even community garden that you can buy or trade from

3

Enjoy as is or incorporate it into a meal!
